I just literally haven't had time to process that proposal. Give me through Wednesday and then let's discuss and finalize.

Blair,

We got the \$5000 check from MT earmarked for Peppa's block parties.

I'm assuming you didn't really care for the proposal we sent you, which is fine. Without it, though, we don't really have anything to give to people at these parties except our info cards on the OSC plan (which would probably be a waste of info cards at these events). We will proceed, though.

I'm waiting to meet with Don Crowe this afternoon before sending you the FedEx paragraph.
